Fundraising Opportunities:

ALL students have a goal of raising \$100 for the Youth Orchestra this year.

Funds are tracked and maintained by the Manager and held in individual student accounts. Funds raised are used to help cover the annual Youth Orchestra budget and keep tuition costs at a minimum. All fundraising money is due by last rehearsal Sunday or as scheduled per fundraiser. After fundraising goals have been met, additional funds may be "banked" in a student's account to be used towards the cost of trips and tours. Fundraising money may not be used to pay for tuition or other fundraisers. Student account balances are carried over from year to year. Upon graduating, any remaining funds may be transferred to a sibling or are placed in the Youth Orchestra Tuition Assistance account. Please refer to the Member Handbook for additional details.

Past/Future fundraising possibilities:

- FANNIE MAY CANDY BARS**
- LEAP INTO THE ARTS**
- POPCORN SALES**

YANKEE CANDLE SALES

ANY OTHER IDEAS ARE WELCOME!
